with accessories

BONUS*

*To claim your BONUS 22.5L Wet Dry Vac:

Go to www.ridgid.com.au/vac-promo, click the 'Redeem Wet Dry Vac' button. This will take you to a form to be completed on-line. You will need to scan or take a pic of your tax invoice from where you purchased your K-1500B-ST drain cleaning machine and submit that as proof of purchase. Alternatively, from this page you may download a form to complete, enclose a copy of your tax invoice and mail to Ridge Tool Australia, PO Box 660 MDC Somerton VIC 3062 or email the completed form and a scan of your tax invoice to ridgid.australia@emerson.com. You can claim your bonus Wet Dry Vac between 1 April – 31 July 2018. Your K-1500B-ST drain cleaner must be purchased during the promo period, 1 April – 30 June 2018.

DIGITAL UNDERGROUND CAMERA SOLUTIONS

Wi-Fi Connectivity

Stream or record inspections to an iOS or Android phone or tablet with the free HQx Live companion app

RIDGID is a world leader in underground pipe inspection and location equipment. With a wide selection of camera reels and monitors, no matter what you need to see into, around or behind, there is a RIDGID inspection system that gives you the vision to solve difficult in-line problems fast. A full line of RIDGID locators and transmitters is available. Using advanced technology to meet your location needs, RIDGID location equipment allows fast accurate identification of buried electric cable, water, gas, telecom, drain and sewer utilities. Visual mapping makes RIDGID locators easy to use and the ideal complement to a RIDGID pipe inspection system.

Offer valid for the months of April - June 2018 or while stocks last. All sales subject to Ridge Tool Australia Terms and Conditions of Sales.
